

Jacynthe (*Jackie*) Curotte

Vice President, Operations
Bell Textron Canada limited

Jackie Curotte is the Vice President Operations of Bell Textron Canada Ltd, Mirabel since November 2017.

She is an accomplished business leader with over 18 years of management in the Aerospace Industry, who is focused on operational excellence as well as developing business strategy.

Jackie joined Bell in 1989 and held various positions increasing in responsibility beginning in Procurement, where with more than 23 years of experience she rose to Director of Strategic Sourcing. This allowed her to move on to Operations, where she had the opportunity to lead the composite sector. Prior to becoming VP Operations at Bell, she was Director of Production Control & Logistic and Production Engineering.

She is a customer-oriented leader focused on developing business opportunities through a strong health and safety culture and a positive employee engagement culture. In 2016, she was the recipient of the National Health & Safety Leader award (CNESST). Jackie was also a board member of the St-Jerome Hospital Foundation in 2017 & 2018 to support financing projects and initiatives. She has been a member of the CPSST (Centre Patronal SST) Board since April 2019.

Jackie earned her BAA from Hautes Études Commerciale (HEC Montreal). She is also a certified Six Sigma black belt.

About Bell Textron Inc.

Bell is an industry-leading producer of commercial and military, manned and unmanned vertical-lift aircraft and the pioneer of the revolutionary tilt-rotor aircraft.
