

OZARK SERVICE CENTER OVERVIEW

LESS DOWN TIME. MORE AIR TIME.

Bell takes the stress out of your MR&O needs and gets your aircraft back in the air fast. Our service center in Ozark, Alabama, offers OEM-direct maintenance and support services for numerous aircraft models. We're also authorized to perform complete aircraft refurbishment of the Bell UH-1H Huey. Owned and operated by Bell, our Ozark facility uses OEM data and engineering to ensure consistent, top-quality results. With a factory-trained staff, competitive labor rates, and robust 1 year/1,000-hours warranty program, we offer trusted services at a great value for our customers looking to service or upgrade their Bell aircraft.
