PUBLIC SAFETY BELL 505
MULTI-MISSION VERSATILITY.
ROBUST ENDURANCE.

Flexibility meets power in the Bell 505. It offers more than 3.9 hours of endurance to help ensure you get the job done. Its increased cabin visibility enhances Tactical Flight Officer operational capability while upgraded avionics provide the ultimate in situational awareness — lightening pilot workload and improving safety. Every 505 is configurable to accommodate extra crew, cargo or external loads, whatever the mission. The Bell 505 has among the lowest acquisition and operating cost of public safety aircraft on the market, making missions more efficient and providing availability to agencies of all sizes.
